You can tell and write time to the half hour.

hour hand
minute hand

It is half past 3 or 3:30.

Practice

Tell what time is shown. Write the time.

1. half past ______
2. half past ______
3. half past ______
Draw the hands on each clock. Write the time.

4. half past 1

5. half past 11

6. Tatum is going to the city with her family. They will leave one hour after she gets home from school. Tatum gets home from school at 3:30. What will the clocks look like when they leave?

Vocabulary Check

Show a half hour later on the second clock.

7.

Math at Home Give your child a time to the hour. Have him or her tell you the position of the clock hands for half past that hour or in a half hour.
